## WELCOME ABOARD!

As we near the end of this year, we pause to reflect on our remarkable accomplishments and the goals we've achieved. None of this would have been possible without the unwavering support of our lodge leadership. Looking ahead to 2025, we kick off the year with our annual Winter Banquet in January. This event will serve as an opportunity for us to reminisce about the past year, introduce our 2025 programs, recognize our incoming and outgoing officers, present our lodge awards, and enjoy a delightful feast and fellowship with our esteemed members.

We also draw inspiration from the past to guide us toward the future. This coming year, we will host our annual conclave once more. We had the privilege of hosting it back in 2016, and we hope to make this a memorable experience for all. However, we need your help to make this conclave the best one, yet. This will also serve as the last Conclave to incorporate AIA into its program. If you're interested in getting involved, please reach out to Jackson or Mr. Furby.

We've all been drawn out from many others, not for our achievements in Troop, Ships, and Crews, but for what others see in us. They can sense the spark in your heart that needs to be ignited. Over the past year, I've had the privilege of witnessing your growth. I've seen your accomplishments and the expansion of your horizons. I've witnessed those sparks transform into roaring flames.

I want to express my deepest gratitude for allowing me to serve as your 2024 Lodge Chief. I eagerly anticipate the coming year and the incredible accomplishments each of you will achieve.

Let us try to find the arrow,

## Looking Ahead

---

I am looking forward to cheerfully serving the Lodge as Chief this upcoming year! For those of you who may be newer Arrowmen to the Lodge, I extend this piece of advice: find your place of service. The Order has much to offer, whether you're interested in social media or merchandising, cooking or training, there is a place for you. In the Bob White Lodge we make it our mission to develop genuine friendships while leading, growing, and serving alongside one another. And those of you who are older Arrowmen: extend a hand and reach out to our new Arrowmen, be a friendly face and a kind soul. I look forward to meeting each and everyone of you!
