

THE WHISTLING ARROW

January 2025 Edition

BOB WHITE LODGE 87

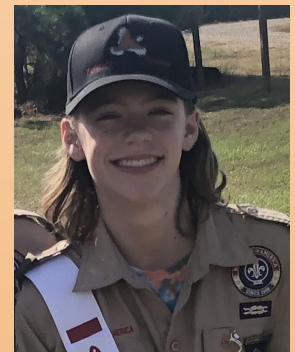

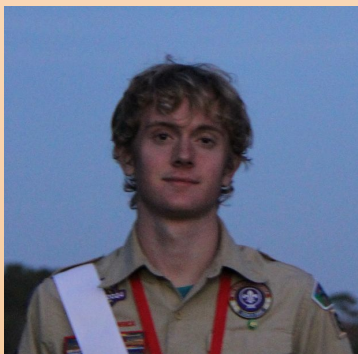

INCOMING LODGE CHIEF

I am looking forward to cheerfully serving the Lodge as Chief this upcoming year! For those of you who may be newer Arrowmen to the Lodge, I extend this piece of advice: find your place of service. The Order has much to offer, whether you're interested in social media or merchandising, cooking or training, there is a place for you. In the Bob White Lodge we make it our mission to develop genuine friendships while leading, growing, and serving alongside one another. And those of you who are older Arrowmen: extend a hand and reach out to our new Arrowmen, be a friendly face and a kind soul. I look forward to meeting each and every one of you!

YEAR IN REVIEW

Inductions

In 2024, we had two successful inductions weekends. We inducted 31 new brothers and an additional 26 sealed their membership through Brotherhood.

Lodge Events

We held 3 Fellowships, 2 Tailgates, 1 Camporee, and attended numerous other events engaging Arrowmen and promoting cheerful service. We have begun to implement some new events and look forward to 2025!

Cub Scouts

This year, our engagement with the Cub Scout program was at an all-time high. We helped to staff Liger Prowl, Cub Fun Day, Webelo-Ree, and Spook-0-Ree. These events allowed us to engage with over 1,000 Cub Scouts and encourage youth to stick with Scouting!
