## NOAC 2024

NOAC 2024 was a huge success! Our contingent of 15 members traveled out to the University of Colorado, Boulder. In addition to our contingent, we also had 2 members on the Staff team, providing crucial trainings to Arrowmen from across the nation. Everyone in the contingent had an amazing time and received some outstanding training (and did some patch trading). Needless to say, Bob White showed up, represented, and showed out!!

# FALL FELLOWSHIP

As of this issue, our Fall Fellowship weekend is underway and extremely successful. We are beyond excited to welcome new members into our Lodge along with welcome new brothers to the Brotherhood. We have completed numerous projects in preparation for Conclave 2025, and cannot wait for April! On Sunday, we will conclude with a General Lodge meeting where the Lodge will be updated on current events and pertinent information. We will then elect our 2025 LEC (Lodge Chief, VC Administration, VC Inductions, VC Program, Secretary, and 3 Chapter Chiefs). We cannot wait to see what the rest of 2024 brings for our Lodge!

## WEBELO-REE & SPOOK-O-REE

As is tradition, the Bob White Lodge has been very active with the Cub Scout program over the past few months and will continue to be active with them. Bob White supported the 2024 Webelo-Ree through hosting scout games (similar to those in the Race for the Golden Quail) for the Webelos to complete! To end the day, our Lodge Chief hosted an amazing Campfire program that the Cub Scouts absolutely loved!

Conclave 2025 is going to be the biggest and best Conclave to date!! We have an amazing team that is ready to put in the work it takes to make our event go down in history. ## September Update

Bob White Lodge,

I thank you all for allowing me to be your 2024 Lodge Chief. As we gear up for the close of the year, we have many more events to plan which I am sure all of you will be looking forward to attending. This year was a momentous year for the OA and Scouting. With a name change from Boy Scouts of America to Scouting America, I am reminded that change can be both difficult and encouraging. Traditions that we once held dear are no longer with us which is difficult to understand, but I am encouraged that with change we may see a path forward. This summer the Lodge lost one of our brothers, Robert Bolton Jr., who passed away in July. I specifically remember the impact Robert had on me joining the OA and continuing to give back to scouting. In his passing I am reminded of the perseverance one must have to overcome obstacles, to clear the path, and to look towards the future without forgetting the past. This is the family all of you who went through your ordeal this weekend has become a member of for life. All those who went through Brotherhood have committed themselves to the Lodge and the OA as it enters a new era. I welcome you all and hope to serve alongside each one of you in the coming years. I know that the Lodge will be in good hands as it meets the future. The first step starts with the involvement of you and your fellow Arrowmen!

Yours in dedicated service,

Wyatt Muckinhaupt
